

shortage during the festive season. The industry has been raising concerns over a possible shortage of sugar during the peak festive season in Diwali and some of trader organisations have been urging the government to import sugar to prevent any further spike in prices.

In a representation sent to the minister, the Western India Sugar Mills Association (WISMA) president BB Thombare had said that the Maharashtra sugar mills are willing to commence the crushing season early in October. Normally, the crushing season in the state begins after Diwali in November when cane maturity is better

with the passage of time. "Recovery rate in Maharashtra generally is less than 8% at the end of the month. In November it remains around 9.7%. Recovery will only in the month of November," he said.

Hence pre-emptive operations by two mills will not cause a substantial recovery, he added. A bumper crop is expected in the ensuing season, he said. Mills will start early, otherwise they will suffer at the end of the season due to high temperatures because of summer, he said.

Deadline for Aadhaar-PAN linkage to stay, says UIDAI CEO

PRESS TRUST OF INDIA
New Delhi, August 25

TAXPAYERS WILL have to link their PAN with Aadhaar by the stipulated deadline, which is this month-end, as the Supreme Court verdict on privacy has no bearing on the requirement, UIDAI CEO Ajay Bhushan Pandey has said.

The requirement for Aadhaar being quoted for availing government subsidies, welfare schemes and other benefits will also continue unhindered for now, he said. The government had mandated linking of PAN with Aadhaar by the extended deadline of August 31.

Asked about the implication of the Supreme Court ruling (privacy being a fundamental right) on linking of Aadhaar and PAN, Pandey said, "There also, linking of PAN to Aadhaar is mandated by an amendment in income tax act... the linking will continue under that act and law.
