NOTICE

NOTICE is hereby given that the Thirty Third (33rd) Annual General Meeting ("AGM") of SUPERSPACE INFRASTRUCTURE LIMITED will be held on Thursday, September 20, 2018 at 11:30 AM at Lords Plaza, Delhi Gate, Ring Road, Surat-395 003, Gujarat, to transact the business, as set out in the Notice of the said Meeting.

The Notice of AGM, Annual Report and Attendance Slip/Proxy Form has been sent to all Members at their registered address through the permitted mode. The

national and state parties called by the Election Commission on Monday.

The BJP, the richest political party in the country, was the only one to argue against any restriction on election-related expenditure of political parties. At the meeting, attended by more than 20 parties, each was given 10 minutes to make a presentation on election-related issues.

Rajya Sabha member and BJP general secretary Bhupendra Yadav, who along with Union minister JP Nadda represented the party at the meeting, told *The Indian Express* that since all political parties have to declare their expenditure in their income-tax filings, "usmein kisi prakaar ki capping nahi lagai jaani chahiye (there should not be any cap)".

Yadav said elections should be based on issues, and not on caste lines, "muscle power" or "criminal power". The parties, he said, "should not be restricted", rather "usmein zyaada se zyaada prachaar karne ka avsar aur suvidha deni chahiye (parties should be given more opportunities and facilities to

advertise)". He said there should be transparency in "crowd-funding".

But smaller and regional parties — and other national parties — were of the view that unlimited spending by political parties gives them an advantage over small parties who cannot hire star campaigners or use as many resources as the bigger parties.

Congress general secretary Mukul Wasnik said his party too was in favour of a cap, but for that a "formula can be worked out on how this can be done".

PTI adds: The Election Commission said it would provide "satisfactory solution" to the concerns raised by political parties on the infallibility of electronic voting machines (EVMs), after some of them pitched for returning to the ballot paper system at the all-party meeting.

Talking to reporters after the meeting, Chief Election Commissioner OF Rawat said, "We will definitely look into all the suggestions given by them (political parties) and there will be a satisfactory solution to them."

The Election Commission convened the meeting ahead of elections to several state assemblies later this year and
